Who We Are

Care Serene Ltd is a family-oriented home care provider based in Ashford, Kent. We are registered and regulated by Care Quality Commission (CQC), UK.

Led by a dedicated CQC-Accredited manager, we are committed to providing compassionate high-quality support to adults and children in the comfort of their own homes.

We aim to promote the dignity, independence, and the safety of our clients through personalised care plans that respond to each individual's needs and preferences.

Our Carers

We have well-trained staff who are passionate about safeguarding and protecting vulnerable individuals from harm or abuse.

Our caregivers promote choice, autonomy, and respect, delivering care with empathy, integrity, and professionalism.

Our Services

- **Personal Care** – Assistance with washing, dressing, grooming, etc.
- **Medication Support** – Prompts, administration, and monitoring.
- **Companionship** – Friendly visits to combat loneliness and provide emotional support.
- **Dementia Care** – Patient, respectful care tailored to those with memory challenges.
- **Meal Preparation** – Nutritious meal planning and preparation.
- **Domestic Help** – Light housekeeping and errands.
- **Respite Care** – Support for family carers needing a break.
- **Live-In Care** – Around-the-clock assistance in the comfort of home.

Care Packages

Basic Plan – From £22/hr: Personal care, companionship, medication reminders.

Standard Care – From £26/hr: Includes full medication support and mobility assistance.

Premium Care – From £30/hr: Complex care needs, dementia, continence management.

Live-In Care – From £1,200/week: 24/7 support tailored to you.

Geographical Coverage

We serve Ashford and the surrounding villages, including:

- Willesborough, Kennington, Singleton, Kingsnorth
- Great Chart, Charing, Wye, Hamstreet
- Bethersden, Tenterer, and others within a 15-mile radius.

FAQs

Are your services 24/7?

Yes. Flexible and round-the-clock care options.

Can I choose my carer?

Absolutely. We prioritise compatibility.

Are carers trained and vetted?

Yes. All undergo enhanced DBS checks and thorough training.

How is care quality ensured?

Through regular reviews, feedback, and spot checks.
